Two Lone Rotarians Showed Up At The Inn

Your Editor, and Doug Mann, both failed to heed the cancellation notice on the e-mail. We therefore demand make-up credit for our efforts. Doug even wore a special Mickey Mouse tie for the occasion.

The Spelling Bee Gets Closer-

Keep bringing in those items for the Bee. It is growing closer, and we need maximum participation.

Date: Wednesday, April 9, 2008
Place: Ethan Allen Hotel, Danbury, CT
Dinner: 6:00 PM

News from the District-

The District Conference is coming up soon, and will be held at West Point, May 16th to May 18th. One can register, on line, by accessing RI's District 7980's website.

There are a lot of awards that can be won, but they must be applied for. One award we will surely go after again is the Public Image (newsletter) Award which we have won the last 2 years. An electronic Club website award has been added, and I think we could do well in this area as well.

Additional Important Dates:

2/16/08- District Team Training Seminar for all District Leadership Chairs, The Depot, Madison, CT.
3/13-15: Multi district PETS, Nashua, N.H. Required for all incoming 2008-2009 club presidents.
4/17/08: District Assembly, for all club officers, Sheraton 4 Points Hotel, Meridan, CT, 10 am to 5 pm.
6/4/08: District Leadership Seminar/Diamond Club.
For all Rotarians wanting to serve on a District committee.
6/5/08: District Membership Seminar: For club leaders needing help with recruitment, retention, new club formation, etc.

RI Convention-

Keep the International Convention in mind. They are a blast. It will be held June 15th to June 18th in Los Angeles.

And For the Computer Folks-

Did you know there is an International Computer Fellowship of Rotarians (ICUFR)? They are having a 3 day call-in allowing the ICUFR members to engage in a Q and A session with a RI Foundation Trustee, about the Foundation, in November. This might be a good program for Will to get involved with.

Take Note:

This issue allows us to maintain an unbroken record of weekly publications of the Spoke for more than two years. We are proud of that record, and expect to keep it up. In the meantime, check out your Editor's Kookie website-----

www.rotariansjesusandtalkingplants.bogspot.com. If you are easily offended, don't log on. See you all next week at the Inn. *Ralph S. Welsh, Spoke Editor,*
