President Allison's Corner

Our lunch meeting yesterday was outstanding! The food was delicious and we had a lot of fun dining "al fresco". The weather actually complied and we saw only blue skies and fair weather clouds. It was also a very productive meeting, thanks to the efforts of everyone who attended. We make a terrific team!!

The card raffle is off to a great start because everyone pitched in and helped chair person Paula with the initial mailing. I was quite impressed with the creative ways some Rotarians devise to get those envelopes sealed.....

It was a very pleasant way to spend my last official lunch meeting as your president. Thanks again for making it a successful year.

Don't forget, there will be no meeting on July 2nd. Enjoy your 4th of July festivities and we will convene again on July 9th with an interesting speaker, Randy Freedman, who has just published a book entitled "Your Inner Swing". We will also have Carol Giannico leading our meeting as our new president. See all of you there.
